Mr. Rafael Menéndez Ramos
Acting Chancellor
University of Puerto Rico

My dear Mr. Menéndez Ramos:

Last year we confronted the problem of the reorganization of our Department of Social Work and we decided to borrow some one of experience to guide the reorganization for the first year. We asked the New York School of Social Work to loan us for a year the services of Miss Antoinette Cannon. This year I again asked the New York School of Social Work to extend Miss Cannon's leave for one more year, but due to the present emergency and the need of training Social workers Miss Cannon must return to her former position. I wish to recommend favorably her resignation and also a leave of absence with pay for the month of August. This vacation, I understand, is due her after a year of service.

Hoping that you will transmit this message to the Board of Trustees with my favorable recommendation, I am
